

Greetings;

- It's that time of year already to get out your pistols for indoor shooting at the club. We have a few changes this year, there will be **NO Tuesday night** shooting due to lack of interest. Wednesday and Thursday night shooting will remain the same as last year. Check out points of interest for dates and times.
- In other news, we have finished mining the lead at the club and will be selling the reclaimed shot.
- We also have fixed all the cameras on the rifle range. We are trying to install a web camera in the range to broadcast it over the club's website for shooters to view. That way you can see if the range is busy or not, before you head out to the club. Hopefully this will be ready in a month or two.
- We are always looking for volunteers to help on the rifle range or just getting involved in the club. We also need someone to run the food counter in the summer, if you are interested, please contact a board member.

Points of Interest:

Pistol range: NO Tuesday night

Wednesdays and Thursdays, 6:00 PM - 9:00 PM contact - John Reker
507-348-4826, Earl Girton 366-8726
