

# 2021 Garretson Sportsmen's Club Indoor Smallbore Rifle Match

## Saturday March 27th, 2021

**For the 2021 Match we will be working hard to shoot while following considerations for the Covid 19 situation. In order to have a match that gives shooters confidence in attending, we will have the following precautions in place:**

1. All Shooters must preregister with Match Director Roger Buechler with a phone call.
2. We will run only 5 of the 10 shooting lanes, but will still use a "Rolling Relay" format.
3. When you preregister, you will be given a time slot to shoot in. Please be at the Club 15 minutes before your assigned shooting time.
4. Everyone will wear a mask at the range at all times.
5. When Shooters are done shooting, we ask that you pack up and head home so we can keep the number of folks in the Club to a minimum.
6. We will email scores to all shooters so please make sure we have your current email address.
7. Walk in Registration the day of the shoot is discouraged.

**Firing Begins:** 8:00 am with 5 shooters on the line .We will run "Rolling Relays", meaning each shooter will get 1 hour to shoot 50 shots sitting position. Shooters can also use cross sticks for this match. Also shooters who have problems getting into sitting position will be allowed to use a stool and/or cross sticks. When a shooter is finished and leaves the line the next registered shooter will be asked to go to the open firing position. The Range Safety Officer will run the range at all times and shooters will obey all range commands. The RSO will also keep all shooters on time. All Firing will be at 50 feet using NRA approved Bullseye paper targets.

**For Entries  
Contact:**

**Roger Buechler**

Call: 605-359-6299 or leave a message

**Entry Fees:** Registration fee: Adults...\$20.00, Junior Shooters....\$10.00
