Website: Check out our website at www.garretsongunclub.com - this site will inform you on what is going on at the club, with scores and pictures throughout the summer and winter leagues.

Construction News: Work on the rifle range has been completed. At this time we are in the process of building on to our storage shed. The plans are to add a bathroom and move the shed to the west side of the rifle range, and connect the two buildings. This will enable the rifle range shooters to access the building using their assisting access card to use the restroom. Plus a possibility to sell targets and have sand bags on hand for shooters to use.

We hope to continue providing our members with a first class shooting facility. If anyone is willing to help with maintenance, clean up or just keeping the club in shape please contact a board member.
