

Dear Members,

Read very carefully all the information in this newsletter. This will apply to all members.

Open House:

The club will have an open house on July 18, 9:00 AM to 4:00 PM and July 19, 1:00 PM to 4:00 PM. This will be open for all members and anyone that would like to use the rifle, pistol and trap ranges. Rifle and pistol will be free. Trap will only cost \$2.00 per round of 25 targets. There will be free food and beverages during the open house.

Construction News:

Work has begun on the rifle range. New concrete has been added. The roof and back over the benches is nearing completion. Work should be done sometime in early June. There will be two access doors to the rifle range. Members will need to get their magnetic card to access the range. The range will remain open between now and July 18th. After July 18th the doors will be accessed only by your magnetic card. The access method will be valid for 12 months, so it will be important to keep memberships current to ensure access to the range will not be interrupted.

How to Receive your Access card:

You will need to send \$10.00 for a deposit for the card plus your name and address to;

**Garretson Sportsmen's Club
48165 259th St
Brandon, SD 57005**

We will then send you an access card that will allow entrance to the rifle range. You may also get your access card during the open house in July. Each member will be responsible for their card. If the card is lost or broken, another deposit fee of \$10.00 will get you a new one. The card is only for you and is not to be lent out to anyone else. If the club finds that the card holder and person using the card are using it illegally they will face disciplinary action by the board members and may include a life ban from the club.

*By paying your membership means you agree to show to anyone who ask for verification of membership;

- 1) access card
- 2) membership card
- 3) drivers license (photo id.)

Membership dues: (Effective July 18th)

All memberships will be family memberships. A family membership includes your spouse and your children 17 and under (this **does not** include extended family members). For all current members, the price will not increase until your membership needs to be renewed and then the new prices will apply.

There are four types of memberships:

Trap and Pistol Range only - \$25.00 annually.

Rifle Range only - \$40.00 annually plus a \$10.00 deposit for access card .

Rifle, Trap and Pistol Range - \$50.00 annually plus a \$10.00 deposit for access card .

Lifetime Membership for Rifle, Trap and Pistol Range - \$500.00, this includes the access card .

You will have one of the nicest rifle ranges in the area that is open seven days a week. With the addition of top and back protection our members will see added days of quality shooting days that would have been passed up because of questionable weather.

The range will have some events that may effect your access to parts of the range. Our web site is up and running and kept current with a "schedule of events". Please make it a habit to check the web site at garretsonsportsmensclub.com or garretsongunclub.com before driving out to shoot.

Constructions is going fast. Don't delay getting your access card.

Thank you, and we look forward to providing our members with a first class shooting facility.
